

VIRTUAL RECRUITER

Connecting you with qualified leads is our top priority, and we've got good news! Working your qualified online leads just got easier.

With Conversion Interactive Agency's Virtual Recruiter, you can have pre-qualified drivers on the phone with a recruiter just seconds after the driver has submitted his information online. These are drivers who searched for YOUR fleet and have been pre-qualified using YOUR filters. No more lag time between when a driver fills out a lead form online and when one of your recruiters reaches out to him.

Capture Qualified Leads NOW!

- Connect qualified drivers with your recruiters instantly
- Reduce labor time by pre-qualifying leads, allowing your recruiters to take qualified phone calls instead of chasing old online applications
- Streamline the way you manage your digital leads
- Auto-score leads
- Notify the driver if he is approved or denied immediately
- Leads can be captured from desktop and mobile devices

Cost:

\$300/Month for Virtual Recruiter Processing Module

\$1.50 for every qualified lead

You will receive ALL leads that come through your lead form, but you will only pay for qualified leads.

Make the most of every online qualified lead with Conversion Interactive Agency's Virtual Recruiter. To schedule a demo and learn more visit www.conversionia.com or ask your Account Executive about Virtual Recruiter today!

Did You Know?

- Over 78% of drivers own a laptop or mobile device, and the trends are sky rocketing every month.
- You have a 900% higher chance of hiring qualified drivers within the first 5 minutes after they submit their online lead form than just 10 minutes after the form is submitted.
